Designed For Natural Living

Parc Nuvo is a bold and beautiful condominium tower of shimmering glass in an articulated design that reaches up an impressive 36 storeys.

It is a lifestyle quite beyond compare. A Built Green community, Parc Nuvo is a residence that balances elegance and sophistication in equal measure, where you can appreciate smart design, exceptional amenities and an unparalleled location in the heart of Etobicoke, all directly across from the Kipling Subway Station.

Parc Nuvo is inspired by and takes its name from the urban park that it overlooks. Across the street from the Kipling Subway and new TTC-GO transit hub is a cohesive community integrating nature with residences as a vital new part of this established and desirable Etobicoke neighbourhood.
