Designed For Natural Living

Nuvo I & II are bold and beautiful condominium towers with a modernized neoclassical design.

It is a lifestyle quite beyond compare. Nuvo I & II are residences that balance elegance and sophistication in equal measure, where you can appreciate smart design, exceptional amenities and an unparalleled location in the heart of Etobicoke, all directly across from the Kipling Subway Station.

Nuvo is inspired by and takes its name from the urban park that is nearby. Across the street from the Kipling Subway and the new TTC-GO transit hub is a cohesive community integrating nature with residences as a vital new part of this established and desirable Etobicoke neighbourhood.
